*Come see
where it all begins...*

Quinta Terra was founded in 2002 by a group of individuals motivated to help children, particularly in developing nations. We are a 100% volunteer based organization, whose efforts have reached thousands of underprivileged children by providing educational resource centers, school supplies, medical supplies, clothing, toys and much more. In celebration of our continued success in making a lasting impact in the lives of the less fortunate, we invite you to "Come see where it all begins"....

.....nor an opportunity to purchase tickets or a table for an event.

.....It's an opportunity to visit our facility, see where planning, packing and logistics takes place, and find out how you can also make a difference. Our goal this year is to raise \$40,000 to continue with this success.
